

Neural Culture Technical Laboratory

M2-130.2 Primary Cell Culture Room

- 1 Nuair Class II NU-425-600E biological safety cabinet.
- 1 Telstar Bio-II-A biological safety cabinet.
- 2 Telstar AH-100 horizontal flow cabinets.
- 2 Jouan IGO 150 Cell Life incubators.
- 2 Heracell 150i incubators.
- 1 Thermo Scientific Midi40 incubator.
- 1 TS-100 phase contrast microscope.
- 1 Nikon SMZ 645 stereoscopic binocular magnifier.
- 1 Nikon SMZ 800 stereoscopic binocular magnifier.
- 1 Meiji EMZ stereoscopic binocular magnifier.
- Amaxa Nucleofactor II electroporation system.
- Flouid Cell Imaging System.

The facilities are accredited by the el Ministerio de Agricultura, Pesca y Alimentación to work with Genetically Modified Organisms within the level of biosafety 2
